CAPER

To Joan,

End of the year
and we all leaving
the hall of learning
So now you go to
Sweden and us poor
dumb-bells stay here
(I counted myself out
on that one) so I say
farewells and don't do
anything I wouldn't
do. (with the Swedes I
mean.)

my

(Judy)

To Joan,
One great traveler
from a better one.
God bless you in Sweden
but may He especially bless
the Swedes that you stay with.

"Destiny is not a matter of chance, it is a matter of choice; it is not a thing to be waited for, it is a thing to be achieved."

W. J. Bryan

Tomorrow . . . Today's Destiny

by Pat Weygandt

We have not walked the paths of others,
Instead we've made our own:
Paths leading to individuality ——
Paths to take us on our own.

With all these years behind us,
The times of laughter and times of tears:
We'll move onward into life,
Headstrong . . . forgetting our fears.

As we leave, we sincerely hope
That all we've learned and done:
Will help you to understand the world we live in
And help us Better it for others to come.

We've sought a new idealism,
By deciding to change the trend;
You'll see us walking hand in hand,
Together —— both now and then.

We won't promise to bring world peace,
Or feed all the starving people ——
Or finally prove to the "hard-headed,"
That everyone is born equal.

We'll probably never find solutions
To pollution, hate, poverty.
But we'll reach out and perhaps even find,
That in our hands . . .
We've always held the key.

Dedication

Years from now, it may be said that certain Math and English courses were the hardest to goof off in and the most demanding to get a good grade in. Within these courses it can be said that each of the two women who taught them had a special something within herself that generated and demanded respect.

These two devoted and deserving teachers have inspired and encouraged us throughout our entire high school years to always strive for self-improvement and perfection in both our school work and extra curricular activities. Perhaps in future years some of us will forget the principles of linear equations or independent clauses, however, the fine examples in self-pride and self-responsibility that these two ladies so graciously demonstrated, will remain with us the rest of our lives.

Our sincere thanks go out to these two unique persons for the smiles, encouragement, inspiration and the lessons they have given us.

These wonderful individuals have taught us well. We owe a lot to them. That is why the class of 1973 has shown its appreciation the best way it knows, by dedicating this year's CAPER to Miss Ruth Tompkins and Mrs. Barbara DeLancey. If we leave the underclassmen nothing else, we leave them these two fine gracious leaders.

Principal's Message

Each of You is Dedicated to Something

You may be dedicated to dodging responsibilities that come your way, to a policy of just getting by, or to a life of fun and ease. You may be dedicated to attaining status among your circle of friends and associates.

On the other hand, you may be dedicated to a career of usefulness which will give many people the benefit of your efforts. No doubt you see the value of the latter dedication. Not only should you enjoy life yourself, but you should help others to do likewise. Dedicated people must put all their energy, time and interest into their work. They must not become "nine to five" people. Theirs is no forty hour week.

Besides school and jobs, we need to be dedicated to our Town, State and Nation in peace as well as in war; to our families, our churches, our other organizations, our avocations and our own good name. Dedication builds that which lasts and gives a feeling of deep satisfaction. Most of you have proven proper dedication throughout your high school years.

I extend my heartiest congratulations and sincere best wishes for the future.

Class History

In September of 1969, while the world was still buzzing about the first man to set foot on the moon, the class of "73" arrived with gleem to grand old W.H.S. As all previous classes did, we wasted no time in electing class officers. Kathy McArdle was elected President; Denise Fernandes, Vice President; Mary Toole, Secretary; and Pam Sylvia, Treasurer. We didn't manage anything spectacular as freshmen, except being known as the noisy underclassmen. It wasn't very long until September rolled along again, and back we tromped with our sundrenched bodies. Again we would elect class officers. Coral Pierce was voted President; Denise Fernandes, Vice President; and Pam Sylvia, Treasurer. Football season quickly rolled by with Art Carey and Ken Riberio starting for the varsity as sophomores. In basketball, Mr. Rose led his "cardiac kids" to the Boston Garden. Ed Rose, Ken Riberio, Rich Silva and Steve Bump played varsity as sophomores. In our sophomore year Sharon King was a varsity cheerleader. The squad came in first place in the O.R.R. cheering tournament. The baseball team began something new when they travelled to Western, Mass. for a home-and-home series with Wahcomah Regional High School. Those team members who went will remember the good time that was at hand.

The fun began when we became juniors. It seemed that a whole new world of fun and reality blossomed before our eyes. We realized we were the underclassmen for the last time. We realized that we were the upperclassmen when we received our rings because it gave us a feeling of being leaders. The "Leaders" for that year were Kenny Sleightholm, President; Denise Fernandes, Vice President; Linda Harju, Secretary; and Pam Sylvia, Treasurer.

The only bright spot in football that year was Art Carey's performance, which entitled him to be named to the All-Star team. Sharon King was a cheerleader for the second season. This year the squad placed fourth in the O.R.R. cheering tournament. On Cranberry Day Dave Rolfe captured the Win Cushman Trophy in track. Stacey Colby was first runner up at the Bowl, while Jill Beaton and Linda Harju made a fine representation.

Everyone looked forward to the basketball season because of its previous success. Due to a tragic mishap, the season was cut short in mid-January. The baseball and track teams had mediocre seasons. The baseball team once again travelled to Wahcomah in the spring. Back in December we had our first class assembly. The Christmas play was a big success.

In April, something new and different occured in Wareham. No one thought it would ever be possible to send a group of students to Europe, but it had been done! Fifteen members of the senior class witnessed an exciting trip through northwest France. Paris, Normandy, and Brittany were day tours. Mr. and Mrs. Joseph Netto and Mrs. Mary Montrond were responsible for the success of the trip.

We also had our class trip in the spring to Martha's Vineyard. All involved had a good time, especially those who had flat tires while riding bikes! A group called "Street Music" gave a concert in May, which turned out to be very beneficial to the treasury. Linda Baxter, Melanie Blair, Stacey Colby and James McKiernan were inducted into the National Honor Society. Collette Levesque was chosen Miss V.F.W. in May. The class of "72" held their graduation exercise in the new gymnasium of Mass. Maritime Academy. Art Carey and Rich Silva were class marshalls. Jim McKiernan was the recipient of the Harvard Book Award.

The students who attended Boys' State were: Ron Bacchiocchi, David Rolfe, Jeff Heleen, and Glen Hawes. Alternates were: Tom Joyce, Art Montrond, and Mark Liffers. Linda Baxter was the representative to Girls' State and Jill Beaton was the alternate. This closed out our junior year, but the fun had just begun.

As we trucked on back as big bad seniors, the school was still the same. Class officers were: Ken Sleightholm, President; Jill Beaton, Vice President; Linda Harju, Secretary; Pam Sylvia, Treasurer; and Kathy McArdle, Prom Chairman. After attending the first football game we felt we were losers once again. Coach Lanagan and Company proved us wrong. The Vikings proved to be one of the most powerful teams in the entire area by dominating Division III and finishing second in statewide competition.

Senior Cheerleaders were Sharon King, Captain, and Kathy McArdle. The cross-country made a very strong showing, led by four-letterman David Rolfe. Wareham made a clean sweep at the Cranberry Bowl. Captains Ed Rose, Art Carey, Ken Reberio and Bill Flaherty accepted the bowl, while Dave Rolfe accepted the Win Cushman Trophy for track. A junior, Jean Maloney, was chosen Cranberry Queen.

On the eve of Thanksgiving, the senior class and Cheerleaders held a parade and rally to pay tribute to the football team. The next day, Wareham went on to crush Bourne for the first time in three years. In December, an athletic banquet was held honoring all fall sports teams. Patty Weygandt and LouAnn Papageorge were awarded trophies for being captains of girls' field hockey teams. Many various awards for football and track were given. Art Carey, Bill Flaherty, Ed Rose, Ken Riberio, Rich Silva, and Brad Bulgar were seniors named to local All-Star teams for their continuous fighting efforts. Dave Rolfe was named to the Southeast Mass. Conference All-Star Track team. Also in December the Wareham Jr. Miss Pageant was held. Melanie Blair was chosen first runner-up, and received the poise and appearance award. Kathy McArdle was chosen second runner-up, and received the creative and performing arts award along with the youth fitness award. Other girls that contested were MaryAnne Hastings, Sharon King, Angela Nigro, LouAnn Papageorge, and Patty Weygandt.

David Rolfe was chosen as the only senior from Wareham to participate in the Southeast Mass. Choir. It was the first year Wareham had a hockey team, as part of the athletic department. Senior members were: "Tonky" Tomkinson, Jim McKiernan, Bill Flaherty, Tim Knight, and Ron Bacchiocchi. The basketball teams fared well in "73." The boys Varsity was led by seniors Art Carey, Ed Rose, Ken Riberio, and Steve Bump. Girls basketball captains were Denise Fernandes, Mary Toole, and Gayle Harris. Other seniors were Teri Kashner, Patti Camphina, and Pat Weygandt. In our junior year we lost the championship by a slim margin, coming in second place. Kathy McArdle was chosen as the D.A.R. representative in our senior year. The spring sports teams all hope to become the champions also. It could be very possible because the class of "73" has been champions in what they hoped to accomplish back in 1969. We have left the school with restored faith in athletics, and we know it will last for the next few years. We would like to thank the underclassmen who contributed in any way to make this year a success. Not only have we been affected by Wareham, but by the whole world. We hope Wareham will always be our stepping stone to look back on.

Sincerely,

Terri Kashner,
Eddy O'Melia,
Rose Marie Stephens

Its primary goal in this area, besides the betterment of their school, is to offer academic scholarships at the end of each year. In summary it is their job to prepare to serve the students and Wareham High school in the best way possible.

Wareham High School has always had a school newspaper, even as far back as 1920. Over the years the paper has undergone many changes. Throughout the 20's the paper was a small paperback book which was published once a month. For the past few years W.H.S. had the Gateway Gazette, a page published weekly in the Wareham Courier.

Many improvements have been made in this year's paper. The first big change was changing the newspaper from an activity to a class. This has greatly improved the style and quality of "What's going on."

Late Wareham explosion scuttles Bourne, 42-26

By ROLAND MURPHY

WAREHAM — The Wareham Vikings made it eight straight here Thursday by drubbing the Bourne High Canalmen by the lopsided score of 42 to 26.

The Vikings had little to cheer about as they fought a cat-and-mouse battle with the visitors for the first three [illegible] not until the first time in the game at 6:18 mark when Tyler Berrault found all kinds of daylight after being initially stopped at the line. He sped the remaining 54 yards for the score which after another unsuccessful try for two points, set the score at 12-6 in favor of Wareham.

At 1:27 left in the second quarter the Vikings tried for with 9:38 left in the third quarter when Mike Roberts again broke free for 37 yards and the score. The PAT by Roberts, who tried to run the distance, was stopped way short and the Canalmen widened their margin to eight points, 20-12.

Wareham stayed in the game at this point by virtue of a Richy Silva 23-yard run The PAT had Richy Silva sweep the left end for two.

The score was 35-26 when Carey finished the scoring with a 34-yard pass to Killeen who then strode into the endzone. Pina added the one point icing with his PAT kick for the final score of 42-26.

Playing in their last game for the Vikings were Carey Rose, Silva, Gil Da Silva, Bill Flaherty, Bulgar, Ribeiro [illegible] arlie Card and Steve Bump as will be lost to the Vikings rough graduation in June. ach Jim Lanagan praised e entire team for its efforts d again congratulated his aches who gave Wareham e good scouting reports roughout the year.

The Wareham Vikings, getting touchdowns from six different players, exploded for 27 points in the fourth period to whip Old Rochester Regional, 41-22, in the 11th annual Cranberry Bowl game at Mattapoisett yesterday afternoon.

The victory, [illegible] Norton's 13-6 loss to Case, lifted the Vikings into sole possession of the Division III lead in the Southeast Conference with a 3-0 record. Case trails by a half game with a 2-0-1 mark.

Old Rochester handed Wareham two early touchdowns in the first period and the Vikings never trailed although the Bulldogs made things interesting for three periods.

Wareham recovered an Old Rochester fumble on the home 1 and Art Carey went over from the 2. [illegible] Ralph Pina [illegible] end Wareham [illegible]

Neither team scored in the third stanza although the Vikings controlled the ball most of the period. Old Rochester had the pigskin for but four plays.

The Vikings started their fourth quarter fireworks with Brad Bulgar going over from the 1, climaxing a 76-yard drive that started midway through the third period. Richard Silva ran for the points and it was 32-6.

The Vikings stopped the Bulldogs cold then went 41 yards in two plays to hit paydirt again. A 43-yard pass from Carey to Ed Rose did the damage. Pina's kick was wide but Wareham led, 39-6.

The Bulldogs fought back and, aided by two major penalties, went 61 yards. Richard Reilly went the final two for the touchdown and then ran [illegible] the points to cut the gap to [illegible] be stopped. On the first play following the ensuing kickoff, Tyler Berriault gained 56 yards behind excellent blocking to assure the return of the Cranberry Bowl to Wareham.

The 41 points was the most ever scored in the history of this (traditional) game and it stopped the Bulldogs from winning the trophy. Old Rochester had won the past two years.

Bulgar, Silva, Ken Ribiero and Bill Flaherty ran well all afternoon for the Vikings (3) front. Pina did an excellent job with kicks. He had plenty of help from Ben Gomes, Frank Wyatt and Mark Johnson. Flaherty and Ribiero were outstanding at linebacker, too.

Richard Reilly was the standout runner for the Bulldogs. He gained 61 yards in 22 carries and could have

Vikings destroy Fairhaven 32-[illegible]

By Rick Bassett

Wareham High School Varsity "Vikings," a Division Three squad in the newly formed Schoolboy Football Southern Conference loop, not only upset, but destroyed the pre-season favorite Division Two Fairhaven "Blue Devils" gridsters, 32-6.

The Vikings led 7-0 after one session, and then left the WHS gridiron at the halftime break with a monumental 24-0 advantage. A third quarter of play was scoreless, and FHS was unable to register any points on the WHS electric clock until the 5:38 mark of the final session. [illegible] tallied their fourth down on the last play of game and their two after TD set the fi[illegible] at 32-6.

There were many, many stars of the day for the victorious Vikings. Defensively, the Vikings stopped the strong FHS runners twice within their own 12-yard line. Individual defensive stars were, Tyler Berriault, Ron Oliver, Bill Flaherty, Brad Bulgar, Ken Ribiero and Art Carey.

Offensively, WHS scoring was compiled by Carey, two TD's for 12 total points; Flaherty on TD (on a pass from Carey); and two PAT (on another toss from Carey), for eight total points; Rich Silvia, a TD, for six points; Bubba Pina, a field goal boot and a PAT conversion kick after TD, for four points; Ribiero, two PAT.

The game got underway with FHS kicking off to WHS. The Vikings wasted little time, getting on the scoreboard in their first series of plays, in eight plays to be exact. A big play during the drive, before the TD, was a 32-yard completed aerial from Carey-Flaherty. Five plays later the dynamic duo almost duplicated that play resulted in a completed pass TH split the uprights a[illegible] led 7-0.

As the curtain went up on the Wareham 1972-73 Football Team, there was much question as to how it would fare in the newly formed South-Eastern Interscholastic Conference.

Playing in Division Three along with Norton, Case, Old Rochester, New Bedford and Diman Vocational High Schools, Wareham went on to prove that it had arrived and proceeded to conquer all opposition in its division by posting an undefeated division record.

Wareham's lone defeat occurred in its initial outing when it gave way to Seekonk by a 6-0 score. Following this game Wareham went on to post 8 consecutive victories and in the process defeated the top three teams in Division Two, namely Fairhaven, Bishop Stang and on Turkey Day, Bourne High School.

Many factors can be cited for this most successful season. They are the feeling of closeness of the team, their ability to get along with one another, putting aside their own individual feelings, gaining self-respect and respect for others. Because of this it seemed that the team truly became the "Team of Destiny" that it was referred to.

The quality of leadership provided by the seniors on this team is also cited by the coaches as a major contributing factor and leaves the underclassmen an example to follow.

It is hoped that the many lessons provided by the performance of our 1972-73 Champion-Vikings will stay with us and provide us with background and inspiration for the years that lie ahead.

For the first time in the history of Wareham High School, a girl's field hockey team was formed. They had a record of 1-6-2. This is a fine showing considering they started from scratch with a J.V. schedule and three varsity games. The highlights of the season were tying with two good teams such as Old Rochester and Barnstable. A rematch with Barnstable brought Wareham a win.

The team was led by Pat Weygandt and Luann Papageorge as Captains. Pat was elected the Coach's Award and Luann was voted Most Valuable Player. Next year they start a full varsity schedule and are expected to do even better.

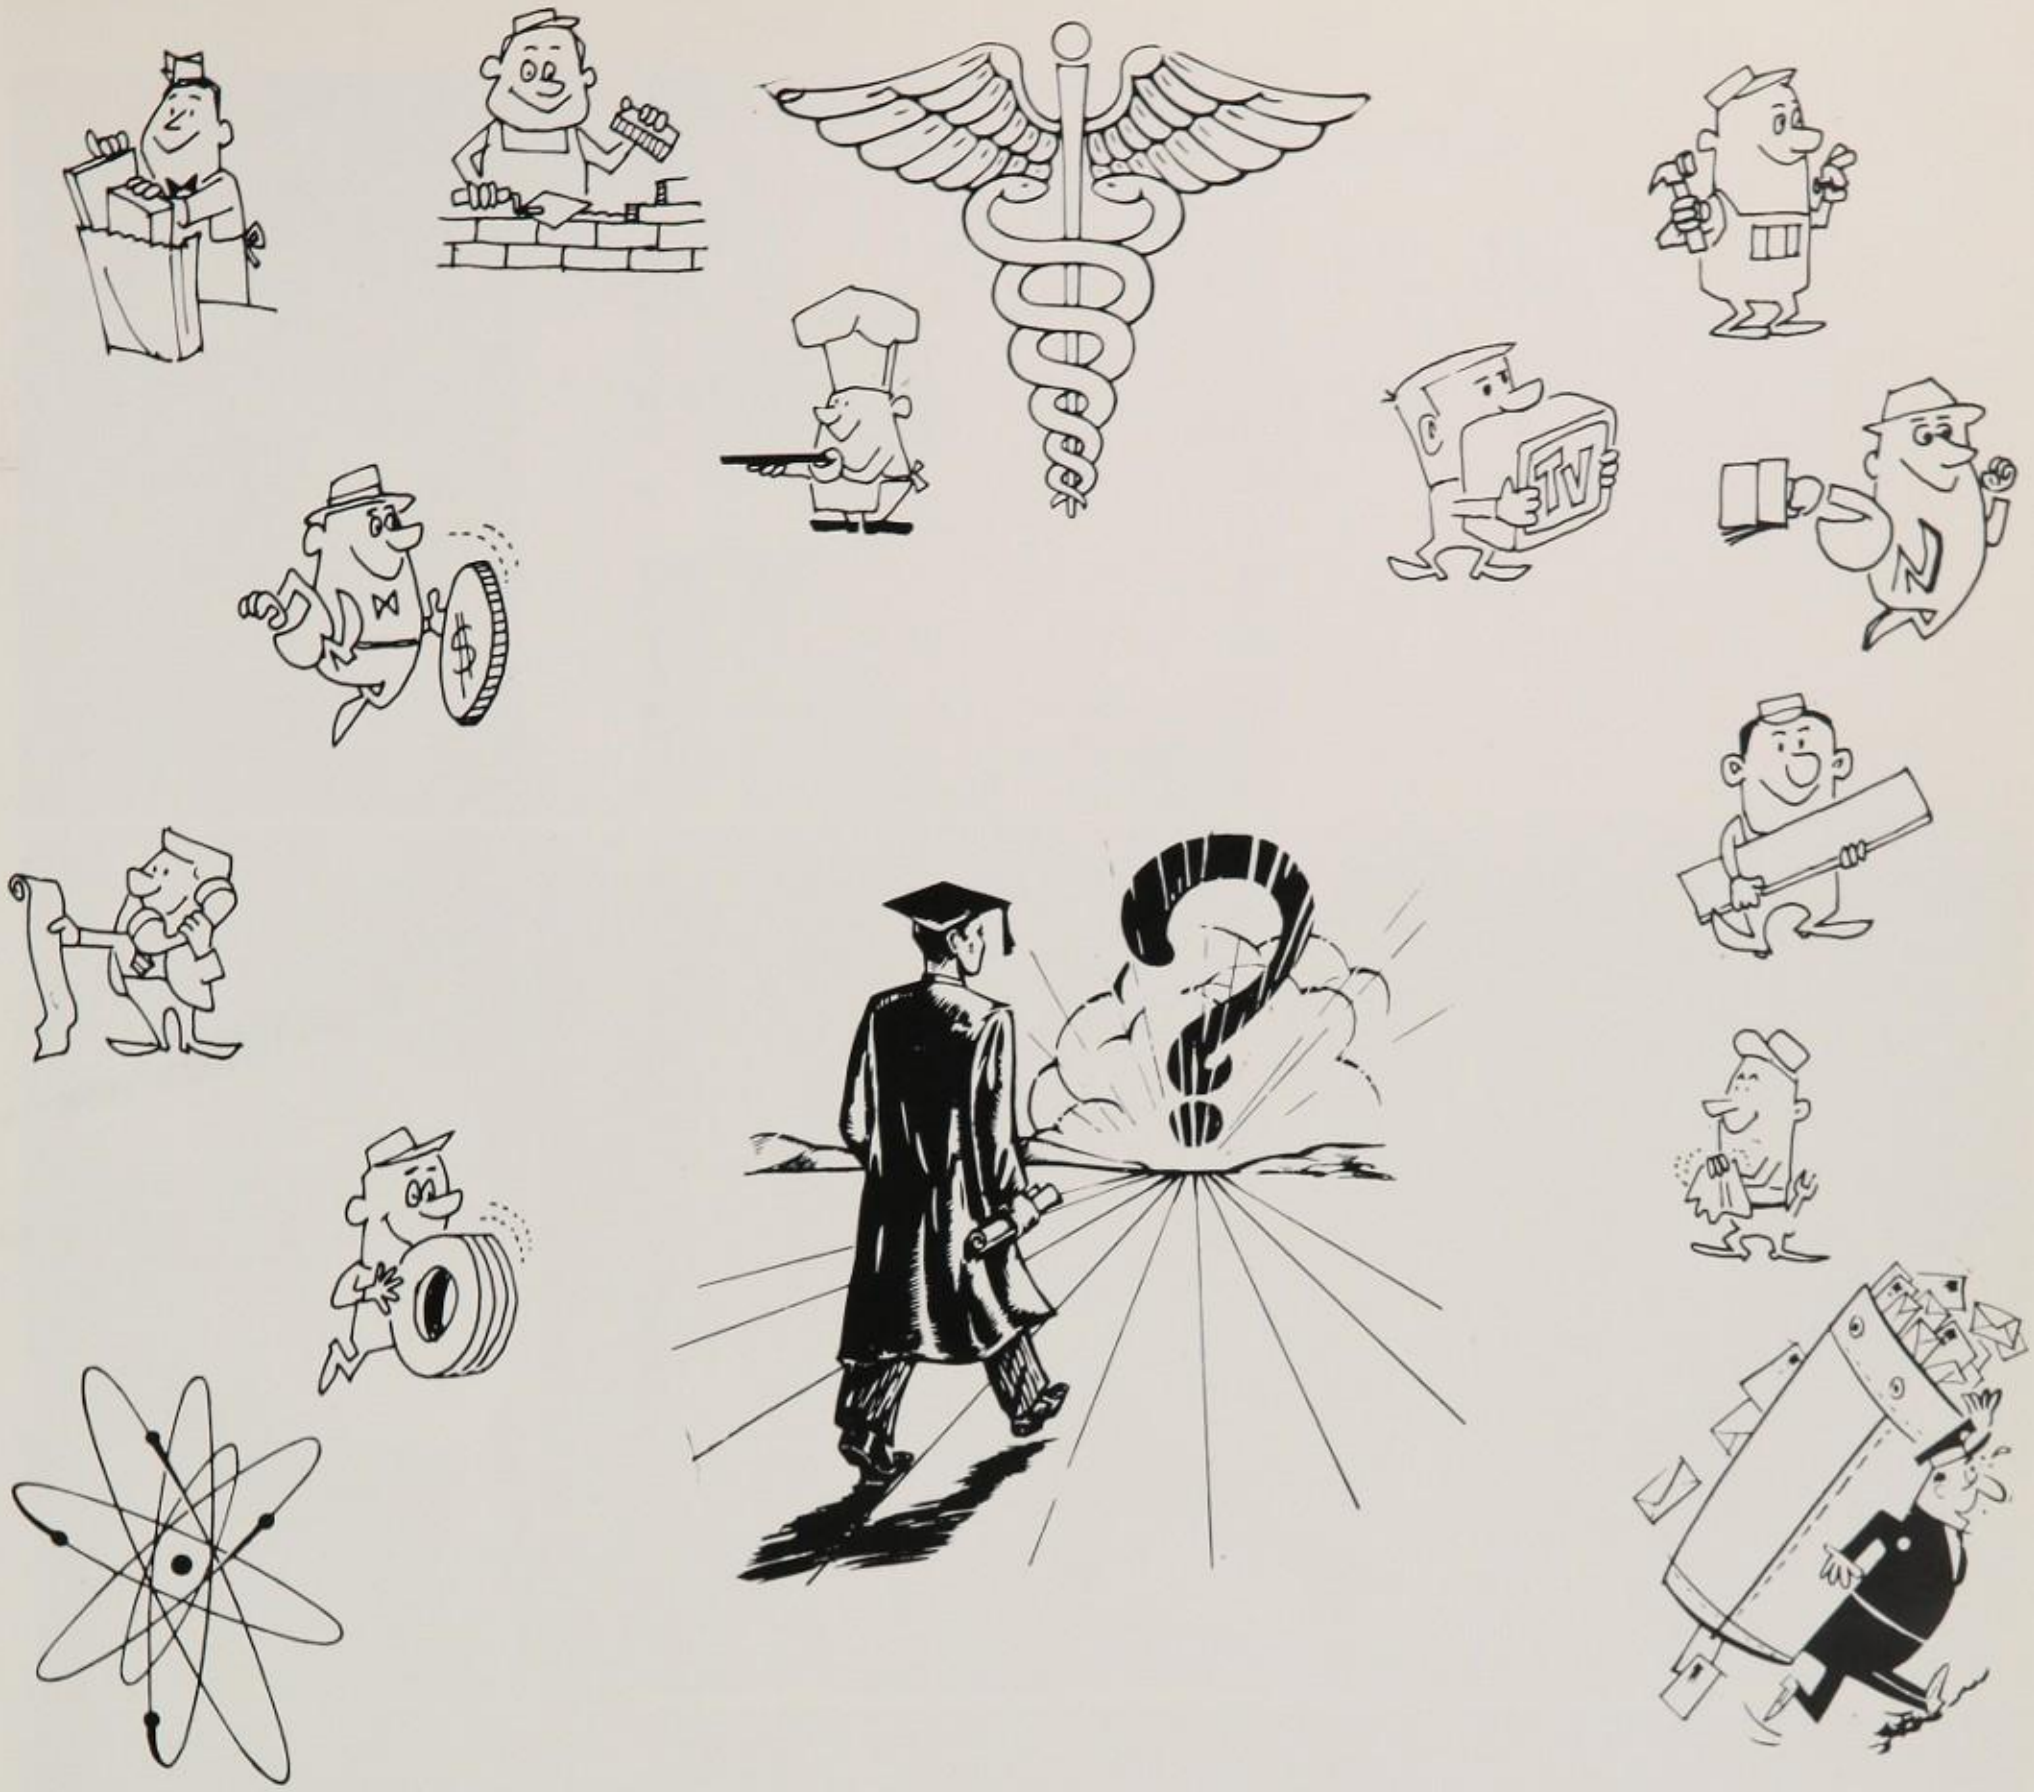
"A FULL SERVICE BANK SERVING ALL YOUR NEEDS AT OUR NEW BRANCH AT WAREHAM PLAZA"



We have been guided through trials and tribulations for the past twelve years. Now is the time for us to prove to ourselves and others, that we have learned from our experiences and show to the best of our ability that we "CAN" make it on our own.

I Dream a World

I dream a world where man
No other will scorn,
Where love will bless the earth
And peace its paths adorn.
I dream a world where all
Will know sweet freedom's way,
Where greed no longer saps the soul
Nor avarice blights our day.
A world I dream where black or white,
Whatever race you be,
Will share the bounties of the earth
And every man is free,
Where wretchedness will hang its head,
And joy, like a pearl,
Attend the needs of all mankind.
Of such I dream ——
Our World!
